Physical Description: ca. 5 cm of textual records, ca. 4 cm of photographs, and 9 negatives

Administrative History:

The Kamloops Garden Club (or Kamloops and District Garden Club) was established in 1950, initiated by Mrs. H.J. Millward. The purpose of the club was to collect and diffuse information on all topics relating to the culture and care of plants, fruits, flowers, and vegetables, and by all possible means to stimulate the knowledge and love of horticulture, and to create an interest in the beautification of homes and the community. Frank Clark was elected the first president of the club. The club was responsible for hosting events such as flower shows, lectures, a children's garden contest, and garden tours, and for initiating beautification projects for land and park spaces throughout the city. The club was also key in the selection of the marigold as the city of Kamloops' symbolic flower, and participated in gardening and flower contests throughout the province.

Scope and Content:

Fonds consists of materials created and collected by the Kamloops Garden Club. Records include publications related to gardening, reports, newsletters and mailers, scrapbooks detailing the club's history and activities, and photographs.
