Title: Kamloops Agricultural Association fonds

Dates of Creation: 1895-1957

Physical Description: 35 cm of textual records

Administrative History:

The Kamloops Agricultural Association was formed in 1895 to promote agricultural development and the interests of farmers in the Kamloops region.

Scope and Content:

Fonds consists of constitution, minutes, cashbooks, contracts, accounts books, banking records, journals, insurance policies, entry books, correspondence, declaration of trustees, and prize lists of the Kamloops Agricultural Association.

Custodial History:

Fonds originally consisted of accession 1964.044, which was donated to the Kamloops Museum and Archives on May 4, 1964 by Athole Black (via Willson E. Knowlton). Black was the former secretary of the Kamloops Agricultural Association. Items were initially numbered and inventoried as accession 1982.102.110-131, but there is no record of why this was done as this range of accession numbers is associated with other items in the collection; inventory was reassigned correct 1964.044 numbering during reprocessing in 2017. Additional material from accession 0.2838, which was formerly placed in the Vertical Files Collection, was accrued to this collection in 2019. This accession has no donor information.
