### Notes:

**Source of supplied title:** Title based on contents of fonds.

**Arrangement:** After arrival at the KMA both accessions were combined by former KMA staff. Materials from both accessions were combined and separated into folders based loosely on subject. During reprocessing in 2019, materials that could be identified as belonging to accession 1968.098 were separated. All remaining sorting has been maintained, and remainder of materials have been treated as belonging to accession 1970.073.

**Access restrictions:** No restrictions on access. The archivist reserves the right to restrict access to any fragile material for preservation purposes.

**Terms governing use and reproduction:** No reproduction permitted without consent of copyright holder. It is the researcher's responsibility to obtain permission for the reproduction of materials for publication or dissemination.

**Finding aids:** File list is available for this collection.

**Accruals:** No further accruals are expected.
